GRATEFUL—COMFORTING.

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately-flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease."—*The Civil Service Gazette.*

"A VISIT TO EPPS'S COCOA MANUFACTORY.—Through the kindness of Messrs. Epps, I recently had an opportunity of seeing the many complicated and varied processes the cacao bean passes through ere it is sold for public use; and being both interested and highly pleased with what I saw during my visit to the manufactory, I thought a brief account of the cacao, and the way it is manufactured by Messrs. Epps, to fit it for a wholesome and nutritious beverage, might be of interest to the readers of 'Land and Water.'"—*See article in Land and Water.*

"MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps and Co., manufacturers of dietetic articles, at their works in the Euston Road, London."—*See article in Cassell's Household Guide.*

Except as hereinafter provided, an officer, when on furlough, shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from Long Furlough or Long Extraordinary Leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any leave, excepting Privilege Leave under Chapter II., shall be omitted.

Provided that no officer on furlough shall draw more than £1,000, or less than £500 per annum, unless his salary is less than £500, in which case he shall draw an allowance equal to his salary.

8. Under medical certificate—

(*a*) Furlough may be taken on the above-mentioned conditions without reference to the amount at credit under Rule 3.

(*b*) Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from Long Extraordinary Leave or Long Furlough. When on furlough under this clause, an officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, *unless he has completed six months' actual service since his last return from Long Extraordinary Leave or Long Furlough, and there remain some leave to his credit under Rule* 3, *in which case the officer will retain a lien on his appointment, and will draw allowances as calculated under Rule* 7, *until that credit be exhausted, but in no case for a period exceeding one year.*

(*c*) Furlough taken without medical certificate, or under clause (*a*) of this Rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an officer

* A Civil Servant who has taken leave on medical certificate under leave rules prior to those of 1868, will not be debited with such leave, up to the limit of one year, against furlough which would otherwise be at his credit. All such leave shall, however, be included in the maximum amount of six years fixed in Rule 2 of the Rules of 1868.

will not retain a lien on his appointment, and will be entitled only to subsistence allowance.†

9. Furlough taken or extended under Rule 8 is subject to the provision of Rule 2.

10. Furlough taken in India will be reckoned from the date of the officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough will be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the officer has, under these rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

12. Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

13. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these rules.

14. All applications for furlough under medical certificate, in accordance with these rules, will be granted without restriction.

15. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of officers who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning, in the case of an officer who has not taken long extraordinary leave or long furlough, from the date of arrival in India, and in the case of an officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

16. The term of *residence* qualifying for pension shall be twenty-one years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

17. The term of *service* qualifying for pension shall be twenty-five years.

CHAPTER II.

PRIVILEGE LEAVE.

18. Subject to the exigencies of the state, an officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment whether substantive or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of charge by the officer to whom the substantive appointment belongs.

19. In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an officer has completed continuous duty of twenty-two or thirty-three months respectively.

20. Privilege leave may, at the discretion of the local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case, the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

21. If an officer shall over-stay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and, if he shall so continue absent for more than one week, his office shall become vacant.

22. Privilege leave shall be reckoned as residence and service.

† The rates of subsistence allowance are:—

	Per Mensem.
For a Civil Servant of 12 or more years' standing	Rs. 400
For a Civil Servant of more than 8 but less than 12 years' standing	Rs. 320

CHAPTER III.

SPECIAL LEAVE.

23. Special leave, on urgent private affairs, may be granted at the discretion of the local government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough. Special leave shall not be reckoned as residence.

24. Rule 21 shall, *mutatis mutandis*, apply to an officer over-staying special leave.

25. Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

26. Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but, if an officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

27. Subject to considerations of State, there will be no restriction as to the places where an officer may reside when on leave.

28. Leave allowance shall be payable monthly, if payment is taken in India, and quarterly, if payment is taken in England.

CHAPTER V.

TEMPORARY RULES.

29. Whatever aggregate amount out of the three years' furlough and three years' sick leave under the rules until now in force, at present remains to be taken by an officer under the said rules, shall remain to be taken by him under rules now promulgated.

30.*

* Cancelled.

31. Any officer now absent on leave, who has no appointment, may, on his return, and until he again holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This rule shall apply to any officer who may have already returned from furlough.

Rules regarding Acting Allowances.

1. An officer holding a substantive appointment, and officiating in an appointment of a higher grade or class, shall draw acting allowance calculated at 30 per cent. on the first Rs. 2,000, and 20 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that, if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the officer is officiating.

2. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisoes in Rule 1, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

3. In the case of an officer officiating in an appointment the pay of which is progressive, his acting allowances shall be calculated on the mean pay of the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.

RULES FOR THE REGULATION OF LEAVE OF ABSENCE TO THE JUDGES OF HER MAJESTY'S HIGH COURTS OF JUDICATURE IN INDIA.

DEFINITIONS.

1. In the following Rules,

"Actual Service" includes the period during which a Judge is carrying on his duties in a High Court, also periods spent on Privilege and Subsidiary Leave, and periods of vacation during which the Judge is not on furlough or "Extraordinary Leave."

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

CHAPTER I.

FURLOUGH.

2. One year's furlough shall be placed to the credit of each Judge after the completion of every four years of actual service.

3. Except under Rules 6 and 7, no furlough shall be granted until at credit under Rule 2.

Provided that any Judge who may have been already in the service of the Government at the time of taking office in the High Court, and who was at that time entitled, under the Rules applicable to the branch of the service to which he belonged, to furlough without medical certificate, may be granted furlough for a term not exceeding that to which he was so entitled, upon the condition that such furlough shall not be taken until the completion of two years' actual service in the High Court, and shall not exceed one year.

4. Except under Rule 7, furlough shall not be repeated until after the completion

of three years' actual service from the date of the last return from furlough or extraordinary leave.

5. The maximum term of furlough to be taken at any one time shall be fifteen months.

6. Under medical certificate, furlough may be granted before it is at credit, under Rule 2.

7. On urgent private affairs, furlough may be granted before it is at credit, under Rule 2, and although three years of actual service have not been completed since the last return from furlough or extraordinary leave. Provided that furlough under this section shall not exceed six months, and shall be granted only once during the whole period of a Judge's service in the High Court.

8. The aggregate amount of all furlough which can be granted to a Judge during the whole period of his service in the High Court shall not exceed two years and a half.

9. Furlough taken in India shall be reckoned from the date of the Judge quitting his office to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be respectively determined by the above Rules, according as the furlough begins or ends in or out of India.

10. For the interval elapsing between the date of quitting his office and the commencement of furlough out of India, and between the termination of furlough out of India and resuming his office, a Judge may be allowed subsidiary leave, not ordinarily exceeding thirty days, which in special cases may be extended.

11. A Judge, when on furlough or subsidiary leave, shall receive allowances at the rate of Rs. 833. 5. 4. per mensem, or £1,000 per annum.

12. Except under medical certificate, the number of furloughs to be granted at any one time, and the grant of furloughs to individual Judges, shall be subject to, and limited by, the exigencies of the service, which exigencies shall be determined exclusively by the authority granting the furlough.

13. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Judges who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The Judge to whose credit the greatest amount of furlough remains under Rule 2 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in a High Court is longest, reckoning in the case of a Judge who has not taken furlough or extraordinary leave from the date of his commencement of service in the High Court, and in the case of a Judge who has taken furlough or extraordinary leave from the date of his last return from such furlough or leave.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Court.

CHAPTER II.

PRIVILEGE LEAVE.

14. Subject to the exigencies of the service, a Judge who has completed eleven months' continuous duty, inclusive of vacations, may, if the Government be satisfied that there is an urgent necessity, but not otherwise, be granted privilege leave for one month without deduction from his salary or acting allowances.

15. In the same manner, and under the same conditions, an additional month of privilege leave shall be held to accrue to a Judge after each further period of eleven months' continuous duty.

16. Privilege leave shall not be taken in instalments, but any balance of privilege leave that may not have been taken shall be added to the next privilege leave which may accrue. Provided that the whole privilege leave taken at any one time shall not exceed three months, and that any accumulation of privilege leave beyond that period shall be forfeited.

CHAPTER III.

GENERAL.

17. Furlough and privilege leave shall not be taken as such in continuation of each other, but if a Judge absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

18. Applications for leave shall in all cases be submitted in such manner as the Government may, from time to time, prescribe.

19. Leave allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20 No substantive appointment shall be vacated merely by reason of leave being granted under these Rules.

21. If a Judge shall overstay any leave, he shall forfeit all salary during the time of his remaining so absent, and if he shall so continue absent for more than one week, his office shall be liable to become vacant.

22. No leave, except privilege leave and leave subsidiary to furlough, shall count

as service for pension. The period of service at present qualifying for pension as a High Court Judge shall be diminished by six months for full pension, and by three months for half pension.

23. Each Judge at present standing appointed to a High Court shall, on the first occasion of his taking leave, be given the option of accepting these Rules or abiding by those at present in force for Judges of the High Courts of Judicature.

24 If a Judge, who is a Covenanted Civil Servant, shall be permitted to resign his office and remain in the service, all leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the leave of absence of Covenanted Civil Servants.

The above Rules are, with the sanction of His Grace the Secretary of State for India in Council, hereby declared applicable, with the modifications below stated, to the following Officers:—

Barrister Judges of the Chief Court of the Punjab;
Recorders in Burmah;
First Judges of Small Cause Courts at the Presidency Towns;
Secretary to the Council of the Governor General for making Laws and Regulations.

Modifications above indicated.

1. The allowances of these Officers, while on furlough or subsidiary leave, shall not exceed half their salaries, and shall be limited also to the rate prescribed in Rule 11.

2. With reference to Rule 22. the pensions to which these Officers are entitled under medical certificate after nine years' service shall be due after eight years and eight months' actual service; and the pensions to which they are in like manner entitled after seven years' service shall be due after six years and nine months' actual service.

The following Notification is also published, for general information and guidance:—

NOTIFICATION No. 3,070.

A question having been raised as to whether the Resolution of the Financial Department, No. 101, dated the 24th April, 1869, and published at page No. 917 of the "Gazette of India" of 1st May, 1869, on the subject of privilege leave, is applicable to Judges of Her Majesty's High Courts of Judicature, the Governor General in Council observes that privilege leave to these and certain other officers, under the Rules recently prescribed, differs from ordinary privilege leave, in that no Judge of a High Court is held entitled to such leave, unless Government be satisfied that there is an urgent necessity for it. Leave under Chapter II. of the Rules in question is therefore rather in the nature of short leave on urgent private affairs, while vacation takes the place of privilege leave.

On these considerations, His Excellency in Council is pleased to declare that the Resolution above quoted shall not be held to apply to Judges of Her Majesty's High Courts of Judicature, or to the other Officers to whom the Rules governing the leave of those Judges have been declared applicable.

NOTIFICATION No. 3,486.

With reference to the Notification of this Department, No. 3,070, dated the 2d instant, published at page 255 of the "Gazette of India," the Governor General in Council is pleased to explain that the Resolution No. 101, dated 24th April, 1869, shall not be held to apply to any High Court Judge or other Judicial Officer to whom the new Rules governing the leave of High Court Judges have been declared applicable, even though, under Rule 23 of those Rules, he may elect to abide by former Rules. Whatever Rules any of these Officers may elect, privilege leave will not be granted to him except on urgent necessity being shown, since all of them have equally the benefit of vacation.

His Excellency in Council is further pleased to declare that the only exception will be the Secretary to the Council of the Governor General for making Laws and Regulations, since this Officer does not enjoy vacations. He will therefore be exempted from showing urgent necessity for privilege leave, but the Resolution No. 101, dated 24th April, 1869, will be applicable to him.

2. The maximum period of furlough which can be granted to any Chaplain during the whole period of his service, is limited to six years.

3. Subject to the above limit, furlough shall be placed to the credit of each Chaplain at the rate of one-fourth of his actual service after adding thereto one year.

EXAMPLE.—A Chaplain who has completed nine years' actual service, will be credited with one fourth of ten years, *i.e.* two and a half years' furlough.

4. Subject to the same limit, leave on medical certificate to the extent of one year taken prior to the promulgation of these Rules, shall not be deducted from the furlough credited to a Chaplain under Rule 3.

4*a*. Except under Rule 8, furlough shall not be taken until the completion of seven years' actual service, nor in excess of the period of furlough at credit under Rules 3 and 4.

5. Except under Rule 8 (*b*), furlough shall not be repeated until three years from the date of the last return from long extraordinary leave, or long furlough. Leave taken under Chapters II. and III., but no other leave, shall be reckoned as part of the said three years.

6. The maximum term of furlough to be taken at any one time shall be two years.

7.† Except under Rule 8, a Chaplain when on furlough shall be granted allowances at the rates noted in the margin.

8. Under medical certificate—

(*a*) Furlough may be taken on the above conditions, without reference to the amount at credit under Rule 3.

(*b*)† Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from long extraordinary leave or long furlough. When on furlough under this clause, a Chaplain shall be entitled to only the allowances noted in the margin, unless he has completed six months' actual service since his last return from long extraordinary leave, or long furlough, and there remains some leave to his credit under Rule 3, in which case a Chaplain shall draw the full allowances mentioned in Rule 7, until that credit be exhausted, but in no case for a period exceeding one year.

(*c*) Furlough taken without medical certificate, or under clause (*a*) of this rule, may be extended beyond two years for a period not exceeding one year. 9. Furlough taken or extended under Rule 8 shall be subject to the provision of Rule 2.

10. Furlough taken in India shall be reckoned from the date of the Chaplain quitting his station to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, a Chaplain shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances shall be the same as during the furlough to which the said leave is subsidiary.

12. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs shall be granted under these rules. Extension of furlough, other than furlough under medical certificate, will be granted by the Local Governments only.

13. All applications for furlough under medical certificate, in accordance with these rules, shall be granted without restriction.

14. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Chaplains who may be absent on furlough at the same time, applications not supported by medical certificate shall be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference

shall be given to the applicant whose actual service in India is longest, reckoning in the case of a Chaplain who has not taken long extraordinary leave, or long furlough, from the date of his arrival in India, and in the case of a Chaplain who has taken long extraordinary leave, or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

CHAPTER II.

PRIVILEGE LEAVE.

15. Subject to the exigencies of the State, a Chaplain who has completed five months' continuous duty may take privilege leave for one month without deduction from his salary or house-rent, but with loss of conveyance and gaol allowances.

16. In the same manner, and under the same conditions, two or three months' privilege leave may be taken when a Chaplain has completed continuous duty of ten months and fifteen months respectively.

17. If a Chaplain shall overstay his privilege leave, he shall forfeit all salary during the time of his remaining so absent.

CHAPTER III.

SPECIAL LEAVE.

18. Special leave on urgent private affairs may be granted at the discretion of the Government for a period not exceeding six months. In respect of allowances to be drawn during the leave and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough under Rules 7 and 11.

19. Rule 17 shall, *mutatis mutandis* apply to a Chaplain over-staying special leave.

20. Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

21. Applications for leave shall in all cases be submitted in such manner as the Governor General of India in Council may from time to time prescribe.

22. Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but if a Chaplain absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

23. Subject to considerations of State, there shall be no restriction as to the places where a Chaplain may reside when on leave.

24. Leave allowance shall be payable monthly, if payment is taken in India, and quarterly, if payment is taken in England. When furlough is taken in England, an advance of the first quarter's allowances may be made in India. Such advance shall not be recoverable in case of death. No advance of pay will be granted in England to a Chaplain returning to duty in India. No Chaplain on furlough in Europe will be allowed to return to duty in India until he shall have appeared before the Medical Board attached to the India Office, for a report upon the state of his health.

25.—The term of *residence* qualifying for pension shall be, in the case of Chaplains appointed before the 11th January, 1854, fifteen years, and in the case of Chaplains appointed on or after that date, seventeen years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

26. The term of *service* qualifying for pension shall be, in the case of Chaplains appointed before the 11th January, 1854, eighteen years, and in the case of Chaplains appointed on or after that date, twenty years. Leave of absence in India taken prior to the 25th August, 1864 shall count as service for pension, and shall not be reckoned as furlough under these rules.

Published by order of His Excellency the Governor General in Council.

E. H. LUSHINGTON.
Secretary to the Government of India.

NOTE.—Chaplains who came to Europe under the furlough rules previously in force are allowed the benefits of the above rules, should they so elect, from the 1st August, 1868.

They must possess a diploma in surgery or a license to practise it, as well as a degree in medicine, or a license to practise it in Great Britain or Ireland.

2. They must subscribe and send in to the Military Secretary, India Office, Westminster, at least a fortnight before the date fixed for the Examination, a declaration according to the annexed form.

This declaration must be accompanied by the following documents:—

(*a*) Proof of age, either by extract from the register of the parish in which the candidate was born, or by his own declaration, pursuant to the Act 5 and 6 Will. IV., c. 62; such extract and declaration respectively bearing the stamps required by law.

3. The physical fitness of candidates will be determined previous to examination by a Board of Medical Officers, who are required to certify that the candidate's vision is sufficiently good to enable him to perform any surgical operation without the aid of glasses. A moderate degree of myopia would not be considered a disqualification, provided it did not necessitate the use of glasses during the performance of operations, and that no organic disease of the eyes existed. Every candidate must also be free from organic disease of other organs, and from constitutional weakness, or other disability likely to unfit him for military service in India.

4. On producing the foregoing qualifications, the candidate will be examined by the Examining Board in the following compulsory subjects, and the highest number of marks attainable will be distributed as follows:—

	Marks.
a. Anatomy and Physiology ...	1,000

The maximum number of marks allotted to the voluntary subjects will be as follows:—

	Marks.
French, German, and Hindustani (150 each) ...	450
Natural Science ...	300

7. The subjects for this part of the examination will be taken from the following books:—

"Elements of Natural Philosophy," by Golding Bird and C. Brooks.

"Physical Geography," by Mrs. Somerville.

8. The Examiners in London will prepare a list in order of merit, with the marks affixed in the different subjects, to be transmitted to the Director-General and communicated to the Professors of the Army Medical School. If any Candidate is found to be deficient in any particular subject, this shall be stated, in order that he may receive special instruction on the point at Netley.

9. After passing his preliminary examination, every candidate will be required to attend one entire course of practical instruction at the Army Medical School, before being admitted to his examination for a commission, on—

(1) Hygiène.
(2) Clinical and Military Medicine.
(3) Clinical and Military Surgery.
(4) Pathology of Diseases and Injuries incident to Military Service.

These courses are to be of not less than four months' duration.

10. At their conclusion, the candidate will be required to pass an examination on the subjects taught in the school. The examination will be conducted by the professors of the school.

The Director-General, or any medical officer deputed by him, may be present and take part in the examination. The commissions of Surgeons bear date from day of joining at the Army Medical

11. During the period of his residence at the Army Medical School, each candidate will receive an allowance of 5*s.* per diem, with quarters, or 7*s.* per diem without quarters, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the regulation undress uniform of a Surgeon of the British service, but without the sword).

12. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

The persons who shall be pronounced by the Examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as Surgeons in Her Majesty's Indian Army. Their position on the list of Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position in that list.

13. All Surgeons who shall neglect or refuse to proceed to India under the orders of the Secretary of State for India within two months from the date of their appointment will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

14. Every Medical Officer appointed to the service must, as a condition of his appointment, subscribe to the Indian Service Family Pension Fund, designed to secure suitable provision for the widows and orphans of officers of the service, according to the regulations published in general order by the Government of India, No. 1315, of the 28th December, 1872.

India Office, May, 1873.

N.B. The examinations for admission to the Indian Medical Service will usually take place twice a year, viz., in February and in August.

NOTE.—The next examination will take place Feb. 1875, for 20 appointments.

MILITARY FURLOUGH REGULATIONS OF 1796.*

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

* These Regulations do not apply to officers who entered the service after the 1st of February, 1854.—Vide Military Furlough Regulations of 1854, p. 21.

Digitized by Google

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension f furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' servic in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for and preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extension of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the re-

maining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from ehe commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medica. certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Maj

service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37) must have served twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.				
1	8	in 17 & under 20	yrs.'	service	
2	0	in 20	,,	25	,,
3	0	in 25	,,	30	,,
4	0	in 30	,,	35	,,
5	0	in 35	,,	38	,,
6	0	in 38 years' service.			

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES OF 1868.

FURLOUGH.

The following General Order by the Government of India, dated 25th February, 1874, No. 171, is republished:—

"No. 171 of 1874.—The Furlough Rules of 1868, as revised by various subsequent decisions, are republished for general information; and in future this General Order shall ordinarily be referred to in any matter depending on those rules. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. G. O. are cancelled prospectively from the 1st January, 1875:—

G. G. O. No. 630 of 1869 (1st clause).
G. G. O. No. 627 of 1870.
G. G. O. No. 613 of 1871.

Rules apply to Officers of Staff Corps and Indian Army.

2. These rules are applicable to all officers who, on the 1st July, 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: officers of the British Army who entered the Staff Corps after that date are of course subject to them.

Also to Officers of R. A. and R. E., late of Indian Army, when holding permanent non-regimental appointments.

In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

Do not apply to Invalid Officers.

3. These rules are not applicable to officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

Only partially to Officers of the British Service holding 5-year appointments.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army, and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment: nor are they applicable to officers of the British Army holding staff appointments the tenure of which is limited to five years, except in the sense in which the rules of 1854 were made applicable, viz., as regulating the amount of absentee allowance to be granted to such officers holding staff appointments, when they are absent on furlough on medical certificate.

Do not apply to Officers of the British Medical Staff.

Officers of the British Medical Staff are not entitled to this advantage.

Apply to R. E. Officers on the Imperial list, holding permanent non-regimental staff appointments.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

These officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

Digitized by Google

The English rate of pay of his rank only will be passed to such an officer during this leave; but on his return to India for a second tour of service the difference between that pay and "Furlough Pay" will be admitted to him; and if he should not return to India, his passage money to England will be paid to him.

Pay allowed them during furlough.

Royal Engineer Officers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners, but not on the fixed establishment and drawing staff salary, will, in regard to these rules, be on the footing of Regimental Officers of the British Service—see preceding paragraph. If, however, they afterwards accept staff employ, they also will count their service for furlough from date of arrival in India.

Rules apply to R. E. Officers of the Imperial list on the fixed staff establishments of Sappers and Miners.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

Previous service of Officers of the British Service who join Staff Corps, how reckoned towards furlough.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid downin Rule V., but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

Rules apply to Warrant Officers with Hony. Commissions.

Their pay.

Warrant Officers without Commissions can take furlough on medical certificate only, under these rules.

Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years), or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

8. Every Warrant Officer who attained warrant rank before the 19th February, 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1559 of 1857, and subsequent orders. That election will be considered final.

Warrant Officers who were so before 19th February, 1869, to elect on first applying for leave.

Those who became Warrant Officers after 19th February, 1869, are subject to these rules, and cannot elect any of the previous rules.

Leave on medical certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

Rules apply to Medical as to other Warrant Officers.

These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

9. The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of these rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

Meaning of "Furlough Pay" and "English Furlough Pay."

Digitized by Google

NOTE.—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of G. G. O. No 69, dated 22nd January, 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

"English Furlough Pay" of Warrant Officers.

RULES.

I.—The distinction with respect to allowances which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

Assimilation of allowances on furlough on private affairs and medical certificate.

II. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

Certain officers retain appointments during all *leave duly granted.*

III.—The Rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70;* but an absentee cannot retain his appointment and draw absentee allowances, except under the rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their Commands.

Absence from India for more than 5 years bars return to duty as formerly.

IV.—Leave of absence will in future be of three kinds, viz.:—

I.—Furlough in or out of India.
II.—General leave on private affairs or sick certificate in India, or short leave to sea.
III.—Privilege leave.

CHAPTER I.

Furlough.

V.—An officer drawing staff pay in addition to pay of rank, proceeding on furlough will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

Furlough pay how reckoned.

But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years; and the time spent and the allowances drawn during any leave "other than privilege leave," will be omitted in the calculation of average salary.

---

* The section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander in-Chief of the Forces, and who, having departed from *India* by leave of the Governor-General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or Native Corps of Troops or in the civil line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or, unless such person be permitted to return with his rank to *India*, by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of *India* that such absence was occasioned by sickness or infirmity, or some inevitable accident.

No absentee shall in either case draw more than £1,000, or less than £250 per annum.

Meaning of term "Salary."

The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a military officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

Pay of Officers transferred to other appointments during furlough.

§ 2. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay when the appointment lapses, or is vacated during furlough.

But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in § 4. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

Pay of officers promoted during furlough.

Regimental medical charges retained during furlough.

§ 3. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed grade pay of the officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the absentee and the officer officiating for him.

Minimum furlough pay.

§ 4. Officers not in staff employ will receive half the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

All furlough on private affairs subject to the exigencies of the service.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application

Applications of officers who cannot be spared need not be forwarded.

of any officer whose absence would, in their opinion, be detrimental to the interests of the public service until such time as arrangements can be made for removing the difficulty; and it is the duty of every head of a department to decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

Furlough on private affairs limited to two years at one time.

VII.—The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such furlough will be without pay unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And

Extensions of such furlough.

no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*) must be completed before furlough can again be taken, unless obtained under medical certificate (see Rules XIII. and XIV. and Note 3 of Rule IX.).

Three years' service to intervene between two furloughs.

But an officer who may be *ordered* to return to duty before the completion of his furlough for the purpose of proceeding on field service may be allowed to take the balance of such furlough at any time.

Exception in cases of officers ordered out on field service.

NOTE.—An officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see para. 6 of this order); for a third year after a further period of six years actual service, and for a fourth and fifth year after similar intervals of six years, and so on, up to the maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI. and VII. But see notes to this Rule.

Period of service qualifying for furlough.

§ 2. No furlough, or extension of furlough, if *without pay*, will reckon as "furlough already taken" in calculating the balance at an officer's credit, as shown in Rule X. But furlough on private affairs under the Rules of 1796 will of course so reckon.

Furlough without pay *not reckoned as "furlough taken."*

§ 3. The fact of having taken furlough on medical certificate will not affect the grant of these furlough, within the conditions laid down in Rules VIII. and XVI.

How far previous furlough on medical certificate bars furlough on private affairs.

§ 4. If an officer appointed to any *duty* in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

Service on duty *in England how reckoned.*

NOTE. (1.)—But an officer of less than eight years' service in India may obtain furlough not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer officer holding a permanent staff appointment, or an officer not in the Staff Corps—has served for three years in India.

Furlough on medical certificate when on furlough pay.

NOTE (2.)—If the officer has not been three years in the Staff Corps or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

Furlough on medical certificate when on English furlough pay.

This rule and the proviso in Note 1, however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

NOTE (3).—Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII. and IX., and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI. (eight years on the whole) on the English furlough pay of their rank.

General Officers exempted from certain rules.

NOTE (4)—And a Major-General of the Staff Corps—if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' furlough to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

X.—An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Furlough may be taken by instalments.

Illustrations.

1. An officer who has served nine years in India is entitled to two years' furlough: he takes only one year, and after his return remains in India for five years.

He is then eligible for two years' furlough as follows:—

Total service in India	14 years.
Furlough due on that service	3 „
Furlough already taken	1 year.
Balance for which he is eligible	2 years.

2. An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment

NOTE.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees, or other causes.—when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible."

XI.—Furlough on urgent private affairs for six months on pay equivalent to the British regimental pay of his rank, maybe granted when the officer has no furlough at his credit, or when from other causes, *e.g.* the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX, and also—except in the case of an officer in civil employ, see Rule VIII. note—of the three years which are required to intervene between two periods of furlough by Rule VIII.

Furlough on urgent private affairs when granted.

This leave cannot be given in extension of furlough of any description. It cannot be extended beyond six months unless on medical certificate and on the same pay; in which case the officer will be deemed to have vacated his appointment, unless entitled to retain it under Rule II.; the whole period will be reckoned in the maximum amount of furlough (8 years) allowed by Rule XVI., and no portion of it can form any part of the periods referred to in Rules VIII and IX.

Extended beyond six months only on medical certificate, when its advantages are lost.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or *vice versa*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Reports, &c., required.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2 of Rule IX. and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate

If he exceeds three years' absence on medical certificate, the officer may have to retire or go on half-pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

Extension on medical certificate over three years to be without pay.

Should the circumstances of the case warrant a further extension of furlough, it can only be granted without pay.

Officers on medical certificate must be pronounced fit for duty before returning to India.

NOTE.—All officers, however employed, and whatever the amount of leave granted them may be, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer on civil employ, *ordinary furlough not exceeding three months*), may obtain under the usual medical certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

Consequences of furlough on medical certificate taken within three years of last return.

§ 2. If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay," as laid down in Rule V., for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX., but without forfeiting any passage-money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation, when proceeding on medical certificate.

"Furlough at credit" bars furlough on medical certificate.

§ 2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension *on private affairs* of such furlough beyond the said period of two years, must be without pay.

Furlough on medical certificate when extended on private affairs.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX. and X. will be regarded, in all respects, as furlough on medical certificate (Rule XIII.); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X., the period or periods of extension shall be deducted from such balance till the latter is exhausted. On the aggregate of two years' leave being exceeded, the officer will come under the provisions of Rule XIII.

Furlough at credit must be exhausted before furlough on medical certificate can be given.

Total furlough with pay, &c., in an officer's service limited to eight years.

XVI.—The aggregate amount of furlough with pay and retention of appointment, on private affairs and on medical certificate, that may be granted to an officer during his service will be limited to eight years.

Furlough not reckoned in this period.

NOTE.—The following periods of leave, however will not be reckoned in this period of eight years:—

§ 1.—Leave without pay.

§ 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.

§ 3.—Leave taken under Rule XI. of these Rules, provided it be not extended over the six months. If it be so extended, the whole period will reckon as part of the eight years.

§ 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.

§ 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector General or Deputy Inspector General of Hospitals, when the officer is no longer required to reside in India.

All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII.), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

Date from and to which furlough is reckoned.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked, to the date of his *bonâ fide* disembarkation in India for the purpose of rejoining his appointment or Regiment: the date of embarkation (or of the vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the furlough.

NOTE (1).—As an illustration of this rule, it may be observed that a Madras officer's landing and reporting himself at Madras, *en route* to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

Extension to cover excess over furlough how obtained.

NOTE (2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to insure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bonâ fide* advertised to sail from —— —— on the —— but that her departure had been delayed till the —— ——. See General Order No. 52, dated 21st February 1873.

Preparatory leave.

Limited ordinarily to 30 days.

XVIII.—Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date succeeding that of his disembarkation in India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant preparatory leave can, on due cause being shown, grant any necessary extension of it, but this can be done only on very sufficient reasons.

G. G. O. granting furlough has effect for three months only.

NOTE (1).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bonâ fide* public grounds.

Detention when deemed a valid excuse.

If, however, the officer does not, within a reasonable time, avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

An officer serving out of his Presidency may embark from it

NOTE (2).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bonâ fide* for Europe from the latter, may obtain preparatory leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

NOTE (4).—The allowances of Military officers in civil employ during preparatory leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

Leave preparatory to retirement.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

Pay issued monthly in India, quarterly in England.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

Advances of furlough pay given in India only.

XX.—Advances of furlough pay will continue to be made in India to those officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date. No advance is made in England to officers on their returning to duty.

Last pay certificate to show rate of furlough pay, &c.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

Pay of officers acting for those on furlough.

XXII.—An officer acting in India for an absentee on furlough will be restricted for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The staff salary granted to an acting officer will, however, in no such case be less than Rs. 100 per mensem.

Pay of Warrant Officers acting for others on furlough.

A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee added to half of the aggregate of his own allowances.

Periods of furlough, &c., counting as service towards pension.

XXIII.—The privilege heretofore granted to Military and Medical Officers who had elected the Rules of 1854, of counting the proportion of leave noted in the margin as service for pension, is retained, and is applicable to those who elect these rules subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV. The periods of service qualifying for pension remain unaltered.

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled, under these rules it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX. he can lay claim. The balance within the limit of eight years' total furlough on private affairs and medical certificate laid down in Rule XVI., will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

He must serve four years before he can take an additional year's furlough, thus—

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Command r-in Chief or of the Government under which he may be serving. During the entire period of his absence on this account the officer will be entitled, as at present, to his full pay and a moiety of his staff salary Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively the officer will lose his staff appointment unless entitled to retain it under Rule II.

Leave on private affairs or medical certificate limited to six months.

Pay as heretofore.

If taken for a third year consecutively, staff appointment forfeited.

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in

his entire period of service. but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule IX. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

If extended over one year, reckons as furlough.

XXVII.—Short leave, not exceeding three months on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

Short leave (not exceeding three months) allowed heretofore.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

Limited to 60 days in each year.

When extended.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local Corps, or of Corps which are usually employed in one or other of the districts named.

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

No restriction as to place.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Must be apart from furlough or other leave.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India, come, as respect periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

For preparatory or subsidiary leave, see Note (4) of Rule XVIII.

Subsidiary Rule.

XXXIV.—Officers of the Indian Military and Medical services will be required generally to notify their intention to accept these rules or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

Election of these rules to be final.

Fund subscription during furlough.

§ 2. Officers going home under these Rules will pay English rates of subscription only to the Military Fund.

§ 3. Officers who may determine to abide by existing Rules will be allowed to proceed on furlough on the conditions laid down in Rules VII., VIII., and XIII. to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining thei

appointments. The principle laid down in Rule XV. must, however, be applied in those cases.

§ 4. If an officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules up to 1st July, 1868, and thenceforward under the Rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

Retirement under 1796 *Rules not affected.*

His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

WARRANT OFFICERS.

PERIODS OF LEAVE COUNTING AS SERVICE FOR PENSION.

They will be allowed to reckon the following periods of leave, whether taken in India or Europe, as service for pension:—

5 months in 12 years' departmental service
0 ,, 14 ,, ,,
4 ,, 16 ,, ,,

Warrant officers holding that rank on the 23rd August, 1872, may, should they elect to do so, continue on the rule hitherto in force, and reckon all leave in India as service, and all leave out of India as against service. This option will not be given to men attaining warrant rank after this date.

Applications from warrant officers for leave to Europe must be accompanied by a duly certified statement of the applicant's service, and of the condition in respect to service, for pensions under which the furlough is taken.

RETIREMENT REGULATIONS, INDIAN ARMY.*

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from the Fund of the late Lord Clive, if they shall be adjudged to be proper objects of that bounty, to the extent of —

2nd Lieuts., Cornets, or Ensigns, 2s. a day, or £36 10s. a year;

Lieuts. 2s. 6d. a day, or £45 12s. 6d. a year; provided they are not possessed of, or entitled to, real or personal property, to the extent of, if an ensign, £750 if a lieutenant, £1000.

Officers, on producing the prescribed medical certificate, countersigned by the commanding officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment, outpost, or any military duty, in notoriously unhealthy localities, after 3 years' service in India, are permitted to retire on the half-pay of their rank, viz.:—

2nd Lieuts., Cornets, or Ensigns, 3s. a day, or £54 15s. a year.

Lieutenants, 4s. a day, or £73 a year.

A subaltern officer, having served six years in India, is permitted to retire on the *half-pay of ensign*, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A lieutenant having served ten, or a second lieutenant, cornet, or ensign, six years in India, may retire on the *half-pay* of his rank, in case his health shall not permit him to serve in India.

It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furlough may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,* shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service.

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

Five years' service in the Staff Corps as Lieutenant-Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

An Officer of the Staff Corps promoted to the rank of Field Officer by Brevet for service in the field, who shall continue to serve uninterruptedly on full pay from the date of his promotion by Brevet to the date of his obtaining the rank of Major-General, is entitled to the unattached pay of that rank, notwithstanding he may not have served five years, with the regimental rank of Field Officer with a regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31 Jan., 1859.

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to pension under the Regulations of the Indian Service.*

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the effective List who may not be entitled to retire on the above scale of pension, will be placed on a half-pay list, provided they have served three years in India in the Staff Corps on the same rate of half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing Authority upon the matters therein contained.

Given at Our Court at Windsor, this Sixteenth day of January, 1861, in the Twenty-fourth year of Our Reign. By Her Majesty's Command, (Signed) CHARLES WOOD.

CONDITIONS OF APPOINTMENT OF BRITISH OFFICERS TO THE STAFF CORPS.

Unless for special applicants, whose cases will receive separate consideration, each on its own merits, it is deemed inexpedient to admit Officers of Her Majesty's British Army to the Staff Corps, whose standing in the service exceeds seven years, or thereabouts.

The selection of Officers for the Staff Corps rests with the Governments in India. The promotion of Officers while on probation will go on in their respective regiments. Officers of the British Army, when permanently transferred to the Staff Corps, will be removed from the strength of the regiment to which they belonged. It is discretional with the Governments in India to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several departments rest with the Governments in India, and will be made irrespectively of the rank which the Officers may hold in the Staff Corps.

Officers of British regiments which may be ordered home and embark before the completion of their period of probation may, with the sanction of the Government of the Presidency, be allowed to remain in India to complete that period.

Officers of Her Majesty's British Regiments are eligible for appointment to the Staff Corps of any Presidency, without reference to the Presidency in which their regiments may be serving, and they will be permitted to serve out their probation without reference to their regiments being in the meantime moved to another Presidency.

Application for admission to the Staff Corps, on probation, should be made to the Government, through, and with the sanction of, the Commander-in-Chief of the Presidency, and that of the Commander-in-Chief in India.

A candidate for appointment to the Staff Corps, on probation, must produce the following certificates of his Commanding Officer and the Surgeon:

Certificate of Commanding Officer.

Certified that of the regiment , a candidate for the Staff Corps, completed two years' duty with a regiment on the , one year of which (or the whole period of which, as the case may be), was spent in India.

has passed the examination in the Native languages by the higher (or lower) standard, and has attained such a knowledge of his drill and duty as an officer of infantry (or cavalry) in all its branches as to qualify him for the command of a company (or troop) in all situations. He also possesses a fair knowledge of the Articles of War and of the Queen's Regulations, as well as of the Military Regulations of the Bengal (Madras or Bombay) Presidency, besides having gained some general acquaintance with the organization and nature of the duties of all branches of the army serving in Bengal (Madras or Bombay.

I further certify that during the period has served with this regiment, he has been attentive to his duty, and that his conduct has been in all respects unexceptionable.

probation, except in the case of an Officer who has gained promotion in his regiment during his period of probation; in that case, he is allowed to enter the Staff Corps from the day following his promotion, with the rank then gained.

Except under very special circumstances, the period of probation will be limited to one year,* at the end of which the candidate, if not qualified for admission to the Staff Corps, must be remanded to his regiment; and should his regiment be in England, he will be put on British pay from the date of failing to pass the final examination. If possible, he will be provided with a passage in a troop ship, but if none be available, then the actual expense of the passage and no more, will be paid to the agent of the vessel conveying the Officer to England. In no case will the period of probation exceed a second twelve months.

A British Officer, on probation for the Staff Corps, proceeding on leave to Europe, is to be held to have resigned his probationary position and appointment. Should an Officer so circumstanced be placed on the half-pay list, he will cease to be considered as a probationer.

A probationer for the Staff Corps may at any time be allowed to withdraw his application, provided that he has not been actually admitted to that Corps by the Government in India.

As a general rule, a young Officer, on becoming a probationer, is appointed to do duty with a Native regiment.

On the completion of the year's probation, the candidate must produce certificates from his Commanding Officer (or the Officer under whom he has served) and from the Surgeon, similar to those obtained at the commencement of his probation; and he must pass an examination in the following tests, according to the nature of the duty or department in which he is to be employed.

On special grounds, but only when required for the convenience of the public service, examinations may be held at any time within two months of the expiration of the probationary year.

Should he be found qualified, he will be admitted to the Staff Corps, and to the appointment or department for which he has proved his fitness. The circumstance of an Officer being in the Staff Corps will not exempt him from passing departmental tests, should he be transferred from one appointment or department to another.

Officers of Line Regiments, in which the purchase system was in force up to the 31st October 1871, who entered the service prior to the 26th August 1871, and whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 18th March, 1868, and who, on the date of such permanent appointment (being the date of appointment as probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first Commission, shall receive, on their names appearing in the "London Gazette" as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their Commissions at the time of joining the Staff Corps as probationers.

Officers who have been appointed probationers subsequent to the 31st October 1871, will be required to make and sign the declaration laid down in para. "C," clause 139, sec. 4 of the Queen's Regulations.

The young Officers who, on final transfer to the Staff Corps, may receive the value of their commissions, will, if appointed probationers on or after the 1st of July 1870, be debited with the cost of their successors' passage to India, in the same manner as other Officers who are allowed to retire from British Regiments in India with the value of their commissions.

Officers who are entitled to the value of their first commissions should apply for it to the agents of the regiment to which they formerly belonged.

Officers who desire to enter the Staff Corps under the provisions of the General Order from the Horse Guards, dated the 1st of May 1868, must make their applications in such time as will admit of the requisite forms being complied with before the completion of their four years' service, as the Government cannot be responsible for any accidental delay, and applications for special consideration will not be received hereafter.

Officers joining the Staff Corps from the British Army must furnish a statement of their services duly vouched by their late Commanding Officers, showing in detail their actual service in India, and the periods of leave during such service, completed to the date of their transfer to the Staff Corps.

---

* All leave, except privilege leave and leave to pass in the Native languages for admission to the Staff Corps, will be excluded from the year's probation.

No Officers while away from their regiments as probationers for the Indian Staff Corps shall be permitted to retire from the service by the sale of their commissions, but such officers will still be eligible for such promotion in their regiments as may occur whilst they are probationers by or without purchase.

The claims to pension of widows and families of officers of the Staff Corps who may join from the British Army will be treated under the provisions of the Royal Warrant of the 27th December 1870, or of such Royal Warrant regulating the grant of pensions to the widows and families of British officers as may be in force at the time being.

REGULATIONS FOR THE PROMOTION OF INDIAN OFFICERS SO FAR AS RELATES TO RANK IN THE ARMY.

VICTORIA R.

WHEREAS it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is, that the Regulations annexed to this Our Royal Warrant be established, and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December, 1871, in the Thirty-fifth Year of Our Reign. By Her Majesty's Command, ARGYLL.

1. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority.

2. The names of General Officers shall be borne upon three separate lists. The first shall contain the names of those on the fixed establishment; the second, those who having been promoted out of their regular turn are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of general officers.

3. The fixed establishment of General Officers shall be the following:—

Generals - - - -	33
Lieutenant-Generals - -	53
Major-Generals - - -	87
Total -	173

4. Promotion on the establishment from the rank of lieutenant-general to that of general, and from the rank of major-general to that of lieutenant-general, shall be made as vacancies occur, according to seniority, subject however to the provision laid down in the last paragraph of clause 11.

5. Every vacancy on the establishment of general officers shall be filled by the promotion of the senior colonel, subject to the provision in the last paragraph of clause 11, or by the transfer of a general officer from the supernumerary list as provided in clause 8.

6 Temporary rank and command as general, lieutenant-general, or major-general, may for the convenience of Our service be conferred, without regard to seniority, on lieutenant-generals, major-generals, or colonels respectively; and if the officer during the continuance of such temporary rank and command shall have conducted himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council, be converted into permanent rank after having been held for five years in time of peace, or for any shorter period in the field during war. A colonel who shall vacate an appointment as temporary major-general, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary major-general, and shall retain that rank until he succeed to the establishment in virtue of his seniority on the list of colonels.

7. Promotion may be conferred upon a lieutenant-general, major-general, or colonel, without regard to seniority, for distinguished service in the field, and in such case the recommendation of Our Governor-General in Council, detailing the services for which the officer is promoted, shall be published in the General Orders of Our Indian military forces, and in the "London Gazette."

8. An officer not below the rank of colonel, promoted after temporary service in a higher rank, or for distinguished service in the field shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority; that is to say, when the surviving officer who stood next senior on the list to the officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary general officer to the establishment.

9. A supernumerary major-general, who has been promoted after temporary service and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as major-general, and shall rise to be lieutenant-general and general, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary general officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the "London Gazette."

10. The officers of the Staff Corps on the Indian List having been transferred to the general list of the British army according to the regulations contained in clause 39 of Our Royal Warrant of the 27th of December, 1870, their names shall be retained on the Indian List in italics, until their death or retirement, for the purpose of regulating the promotion of the officers below them on that list.

11. On the occurrence of a vacancy in the fixed number of General Officers on

the Indian List, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the senior officer in each grade on the Indian List below that in which the vacancy may occur (with the exception of the grade of lieutenant-colonel), shall be moved up to the next higher grade; but in the case of the officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those officers who remain effective on the Indian List; and the promotion of an effective colonel on the Indian List to the rank of major-general shall in no case be affected by casualties among the general officers of the staff corps, until the number of general officers to be added to the British Establishment under clause 24 of Our said Royal Warrant of the 27th of December 1870, shall be complete.

12. The rank of brigadier-general shall be local or temporary only.

13. A lieutenant-colonel may attain the rank of colonel—

(a.) By regimental seniority in the case of officers on the Indian List of cavalry and infantry whose substantive commissions, as lieutenant-colonel, are dated prior to the 1st of January, 1862;

LAMPLOUGH'S
PYRETIC SALINE

Is found pre-eminently beneficial in preventing and curing SMALL POX, by Purifying, Invigorating, and Vitalizing the Blood. Any person who has already the complaint should take it, and be kept in a cool and darkened room to prevent its leaving any trace on the features.

Important to all, more especially those who have charge of others, to Travellers, English Ministers, British Consuls, and Europeans seeking to reside in safety in Tropical and Foreign Climates.

Invigorating and vitalizing the blood, it alleviates thirst in a most agreeable manner, and furnishes the system with those saline principles that are essential to health.

SICKNESS, HEADACHE, and NAUSEA are in most cases immediately relieved by taking a teaspoonful in a tumbler of cold water. This can be repeated once or twice in two hours, if needful.

SEA VOYAGES.—It is a very valuable accompaniment, and should on no account be omitted. It instantly allays the sea or bilious sickness.

For BILIOUS CONSTITUTIONS, giving rise to vitiated Secretions, Indigestion, and Eruptions on the Skin, a teaspoonful should be taken daily with the dinner in a tumbler of water, and the same quantity on going to bed.

"RAWUL PINDEE, PUNJAB, INDIA, 28th March, 1871.

"On the recommendation of several officers, who had some of your saline in the West Indies, all of whom speak in the highest terms of it, we were induced to try it in this Province. Solely from the ascertained merits of your preparation after use in the *fever-stricken districts* by which we are surrounded, we firmly believe that the use of your Pyretic Saline will do more to PREVENT fever than all the Quinine ever imported can cure. We write thus strongly, because both from personal experience and observation we believe we have at length found a *remedy* against the ever present fevers of these parts, which cost *the British nation hundreds of valuable lives* in Peshawur alone. We are now willing to enter into special terms for large and continued supplies," &c.

May be obtained of the Proprietor,

DR. J. COLLIS BROWNE'S

(Ex Army Med. Staff)

CHLORODYNE

IS THE ORIGINAL AND ONLY GENUINE.

CAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. COLLIS BROWNE was undoubtedly the Inventor of CHLORODYNE: that the story of the Defendant, Freeman, being the Inventor, was deliberately untrue, which he regretted had been sworn to. Eminent Hospital Physicians of London stated that Dr. J. Collis Browne was the discoverer of Chlorodyne; that they prescribe it largely, and mean no other than Dr. Browne's.—See *Times*, July 12, 1864.

The Public, therefore, are cautioned against using any other than

DR. J. COLLIS BROWNE'S CHLORODYNE.

REMEDIAL USES AND ACTION.

This INVALUABLE REMEDY produces quiet refreshing sleep, relieves pain, calms the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the use of opium. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while Medical men extol its virtues most extensively, using it in great quantities in the following diseases:—

Diseases in which it is found eminently useful—Cholera, Dysentery, Diarrhœa, Colics, Coughs, Asthma, Rheumatism, Neuralgia, Whooping Cough, Cramp, Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne.—See *Lancet*, Dec. 31, 1864.

From A. Montgomery, esq., late Inspector of Hospitals, Bombay.—"Chlorodyne is a most valuable remedy in Neuralgia, Asthma, and Dysentery. To it I fairly owe my restoration to health, after eighteen months' severe suffering, and when other remedies had failed."

Dr. Lowe, Medical Missionary in India, reports (Dec, 1865) that in nearly every case of Cholera in which Dr. J. Collis Browne's Chlorodyne was administered, the patient recovered."

Extract from *Medical Times*, Jan. 12, 1866.—"Chlorodyne is prescribed by scores of orthodox medical practitioners. Of course it would not thus be singularly popular did it not 'supply a want and fill a place.'"

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

Beware of spurious and dangerous compounds sold as CHLORODYNE, from which frequent fatal results have followed.

See leading article, *Pharmaceutical Journal*, Aug. 1, 1869, which states that Dr. J. Collis Browne was the Inventor of Chlorodyne; that it is always right to use his preparation when Chlorodyne is ordered.

CAUTION.—None genuine without the words "Dr. J. Collis Browne" on the Government stamp. Overwhelming medical testimony accompanies each bottle.

Sole Manufacturer, J. T. DAVENPORT,

33, GREAT RUSSELL STREET, BLOOMSBURY, LONDON.

Sold in bottles, at 1s. 1½d. 2s. 9d., 4s. 6d., and 11s.
